

Adult Volunteer Program

This summer camp team requires volunteers to stay for one week at a time, be housed on camp property, and eat meals in the dining hall with the campers and staff. A volunteer chaplain supports the camp program by coordinating and leading worship throughout the week and acting as a spiritual leader for both staff and campers. Volunteers need to register by completing the following packet.

Adult Volunteers must possess a genuine interest in the Caroline Furnace Summer Camp Program and be willing to commit the required energy, enthusiasm, and cooperation in all aspects of the program.

I agree to the expectations and guidelines of the Caroline Furnace Summer Camp Volunteer Chaplain Program.

Guidelines for Discipline of Children

I understand and accept the following:

1. Adult Volunteers may under no circumstances strike, hit, push or shake a camper.
2. Adult Volunteers may not use abusive, derogatory or negative language with campers.
3. Adult Volunteers need to ask for help or assistance of supervisory or administrative staff.

Guidelines for Camper-Volunteer Staff Contact:

I understand and accept the following guidelines. I may touch a camper ...

1. on the hand, shoulder or back
2. never against a child's will (unless in the case of clear and present danger)
3. never contrary to the child's comfort, whether expressed verbally or non-verbally
4. in the company of another adult
5. never when it would have the effect of over-stimulating the child
6. never in a place on a child's body that is normally covered by a bathing suit, unless for a clear medical necessity, and then only with supervision of another adult
7. never in any way that is or may be perceived as intimate sexual behavior

Adult Volunteer Responsibility

1. I understand and accept that I am an assistant and possible care-taker of children.
2. I understand that there is a clear power/authority difference between myself and campers (money, mobility, experience, knowledge, rules)

3. I will conduct all “counseling” sessions in an open and public place where we can at least be easily observed (not alone in a cabin or room, in the woods, or any other remote or private location)
4. I understand that inappropriate sexual contact with physical, mental or emotional abuse of a camper can have a severe emotional and psychological effect on the camper that will last a lifetime.
5. I understand the severity of these reactions – that they can require professional intervention which can be disruptive to the victim’s life as well as time consuming and expensive.
6. I understand that dating, “going out,” or any encouragement of a romantic or sexual nature with a camper is inappropriate and not permitted.

State Laws Pertaining to Child Abuse

I understand that under Virginia Law I am a “mandated reporter” and agree to follow the policy of Caroline Furnace Lutheran Camp & Retreat Center, Inc., which means that I will report any suspected abuse to the Executive Director. A report is based on suspicion of abuse and does not have to be proven.

Guidelines for all Adults and Staff

I understand and accept the following:

1. There is no hazing by campers, counselors or staff (imposing disagreeable tasks, playing pranks, or doing anything humiliating or irritating).
2. Campers will not be subject to initiation rites that are abusive or demeaning in any manner.
3. Campers (even Explorers) will be encouraged to change their own clothes.
4. Adults will under no circumstances share a bed or sleeping bag with a camper.
5. Adults will set appropriate limits with children who “cling” or hang on them.
6. Adults will not allow children to sit on their laps.
7. Adults will not give back rubs unless another adult is present and then only with all clothes on.
8. Tickling or teasing a camper to the point where the camper is out of control is unacceptable.
9. Overnights need a minimum of two adult leaders. One of the counselors present needs to be of the same gender as the campers.
10. Adults and counselors “cohabitating” is unacceptable and grounds for dismissal.
11. Romantic lives of counselors or other adults can under no circumstances be shared with campers.
12. Adults must stay with their own designated living space after lights out at night unless a true emergency exists and this should be reported to supervisors as soon as possible.

13. Both male and female staff and volunteers need to be aware of the tendency for the youth to develop hidden or secret romantic fantasies.

Caroline Furnace Lutheran Camp & Retreat Center, Inc. has a “No Touch Policy” concerning staff “romance” (unmarried staff members are not to show any outward romantic signs).

Other Instructions

I agree to the following:

1. To watch for signs of stress in myself and in others as a way of maintaining a safe environment at camp.
2. To help other staff who seem at risk for hurting or abusing campers.
3. To alert supervisors to the need for more careful supervision, intervention or support where needed.
4. To seek help for myself if I feel at risk of hurting, over stimulating or abusing a camper.
